

## **Ar. Amogh Kumar Gupta**

ARCHITECT (CA/87/10846)

GOVT. APPROVED VALUER (CAT/01/101/31)

Architect Amogh Kumar Gupta is a practicing Architect and Valuer currently based out of Bhopal. Having done his graduation course of B. Architecture and subsequent post-graduation course of M. Architecture (PHE including Environmental Planning) from the Maulana Azad College of Technology, Bhopal (Present-Maulana Azad National Institute of Technology-Bhopal) in the years 1985 and 2001 respectively; he is about to finish his Doctoral research on the topic of “Validation of Traditional Indian Knowledge of Home Building”.

His fields of specialization include both Individual and Group Housing projects and various Urban Schemes. He has gained extensive professional experience in these fields for over 31 years while actively engaging in both the government (EPCO, NVDA) and private sectors, and is now excelling in the consultancy services and projects from the past 17 years. His professional experiences range across a myriad of government and private construction as well as developmental projects, some of the notable among which are large scale projects and schemes being run by the Government of Madhya Pradesh, Group Housing Schemes for Bhopal Development Authority, Sterling Builders & Contractors, Rashtriya Group New Delhi, Urban Renewal Schemes (JNNURM) for Local Body, Sports Centers and several large scale Hospital Buildings across India. Additionally, he has also been actively involved in several prominent government as well as professional committees working in the construction and the development fields like the Development Plan Committees for several prominent towns of Madhya Pradesh, Building Byelaws Committee (Govt. of M.P.), Review Committee for Western Zone (Ministry of Tourism, Govt. of India), various Expert Committees comprised by the Council of Architecture etc.

Being a pro-active and dynamic individual, he is an important member of many professional and social organizations and bodies. He is currently serving as the National Junior Vice-President of the Indian Institute of Architects for the term 2014-2017, Council Member (representing Madhya Pradesh) and the Executive Committee Member for the term 2016-19; and has also held many similarly prominent positions in the same body in the past. Having a strong inclination and flair of the academia, he has previously been associated with many educational bodies and has been an active member of the Board of Governors of several Institutes of national acclaim and importance like the Maulana Azad National Institute of Technology Bhopal, the School of Planning and Architecture Bhopal, Samrat Ashok Technology Institute Vidisha. He has recently been appointed as the Chairman of the Board of Governors for the School of Planning and Architecture New Delhi, an Institute of National Importance.
